Since my last catalogue was issued, CHARLES L. MASTICK has been the recipient of two more honors.

First, the joint award of the ROYAL HORTICULTURAL SOCIETY and the NATIONAL DAHLIA SOCIETY OF GREAT BRITAIN.

Second, the honor of having been selected by Mr. Julius L. Girod, Chief of Landscaping of Treasure Island, as the only dahlia planted in massed groups for the decoration of the Long Court during the GOLDEN GATE INTERNATIONAL EXPOSITION.

Honors for Miniatures went to the Unwin Bedding Dahlias.

MAYOR FRANK OTIS (ID) (T. W. Johns). The dahlia which won the American Home Achievement Medal at the 1938 exhibit of the Portland Dahlia Society, and also as the largest dahlia. It is so immense (12x6) that I can only describe it as a veritable sunburst, bright gold, eosine pink with a tint of bronze in the tight, full center. Held erect on giant stiff stems of great length, it dwarfs every dahlia in its vicinity. We are proud of this dahlia, and are putting it at a price which is moderate for one of its beauty, size and achievements. \$10.00.
